PLACING OF EXHIBITS

All exhibitors are to place their exhibits in position as directed by rules of each department. Commercial exhibitors may do preliminary work on their exhibit space on Friday and Saturday before the fair.

CARE OF EXHIBITS

Security protection will be provided, night and day, at the fairgrounds from Sunday 8 a.m. before the fair until Monday, 8 a.m. (Day after the fair).

The Fair Board and the Sheriff's Deputies will take every reasonable precaution for the preservation and safekeeping of all exhibits but will not be responsible for any loss or damage which may occur.

All exhibitors are to cooperate in giving attention, care and protection not only to their own exhibits, but also to any and all property on the Fairgrounds at all times, and furthermore to report promptly to the Sheriff's Deputies and Fair officers any situation they notice to be in need of attention.

Exhibitors of livestock must furnish their own straw, feed, feedboxes, troughs, and buckets.

Livestock exhibitors must keep the aisles free and clean from 9 a.m. to 11 p.m. daily.

Exhibitors are liable for any and all damage to persons or property caused by their exhibits or by themselves. Care should be taken to avoid accidents.

REMOVAL OF EXHIBITS

No livestock exhibits shall be removed from the place of exhibition before 9 p.m. Sun., Aug. 6th except for urgent cause approved by the superintendent and two other officers of the Board unless the department rules state otherwise. Premiums will not be issued to any exhibitor not adhering to release times and exhibitors can be denied exhibitor rights indefinitely.

Use of alcoholic beverages on grounds will result in removal of exhibit and forfeit of premiums.

All exhibits should be removed as soon as possible after the time set for removal.

Exhibits in rented tents must be removed by 10:00 am, Monday August 5th.

The fair board reserves the right to change the hours and dates for removal of exhibits should conditions warrant such action.

JUDGING AND AWARDS

The single judge system will be used insofar as possible.

No one shall act as judge in any department if directly interested in any exhibit or if closely related to an exhibitor.

Objections to any person serving as judge must be made in writing to the superintendent in charge, before any awards are announced; and the superintendent, with the aid of his assistants, shall have power to act on such objections.

Exhibitors shall not in any way interfere with judges or judging; shall not display trophies of any kind until after judging is completed and the results have been announced for that department.

No premium shall be awarded for an animal or article deemed unworthy, even if there be no competition; nor to an exhibit not properly entered or classified.

If there is any question regarding the regularity of an entry or the right of entry to compete, the judge shall refer the matter to the superintendent of the department for decisions.

Any known attempts to influence or abuse a judge by an exhibitor will be considered just cause for not awarding premiums to the exhibitor. Judges shall consider size, form and symmetry, age and maturity, and such other qualities as are usually noted in judging that particular type of exhibit.

Showmanship should be given consideration in some instances.

Judges' decisions shall be recorded on an official Judges' Report which shall be filed with the Secretary immediately after judging.

Not more than two awards shall be made in any single competition to the same exhibitor.
